Stewards Programme

23 October – 10 November, 2013

Busan, Republic of Korea

What is a WCC Assembly?

A WCC Assembly is a unique event in the life of the wider ecumenical movement which provides opportunities for participants to deepen their knowledge and renew their ecumenical commitment and find inspiration for further work towards the unity of the Church. The 10th Assembly will be held in Busan, Republic of Korea from the 30th October to 8th November, 2013.

What is the WCC Stewards Programme?

The stewards programme brings together a dynamic and diverse group of young people from all over the world from 23rd October to 10th November, 2013 (inclusive of travel dates). At the 10th Assembly, the stewards programme will host 150 young people from different backgrounds, churches and regions. As a community of young people from different churches, countries and cultures, stewards bring their faith, backgrounds and visions to an ecumenical experience of togetherness and friendship. Being a steward will be a challenge, will foster involvement and participation, and may indeed change your life. The stewards programme will be composed of three phases; an online and on-site ecumenical formation; participation at the pre-Assembly youth event and work at the Assembly.

Work, pray and sweat

The first phase provides dedicated time for stewards to learn about the ecumenical movement and discuss in depth the Assembly theme. Participation at the pre-assembly event for young people will provide a glimpse of the wider ecumenical movement and finally, the work the stewards contribute during the assembly is invaluable to the smooth running of the event. The work done is often exhausting, intense and under pressure of short deadlines. The main areas of tasks to be carried out are: conference room, documentation, communications, interpretation, worship and other tasks such as general administration, sorting mail, delivering messages, etc. The stewards programme is only the beginning of a long process. It encourages young people to continue the journey of being ecumenical and engaging with one another.

Financing

WCC will be responsible for board and lodging expenses during the programme and will provide some pocket money. Travel costs to and from the Assembly are to be borne by the steward, except in cases where subsidy is granted. Residents of following regions, if unable to finance their travel, are eligible for a subsidy: Asia, Africa, Caribbean, Central and Eastern Europe, Latin America, Middle East and Pacific.

All stewards who are granted a travel subsidy are expected to make a cash contribution towards travel expenses. The purpose of the contribution is to allow more young people to come to the Assembly, to strengthen the commitment of the participants and encourage the ownership of the programme by the participants and their local churches and organisations.

Please complete the relevant section of the application form concerning travel clearly. Specific requests for assistance will be dealt with on a case by case basis. Passport, visas and any other personal related expenses are the responsibility of the selected applicant.

Criteria

Stewards have to be between **18 and 30 years old**. English is the working language of the programme and its knowledge is required from the applicants. Stewards need to be prepared to endure an intensive programme of activities and long, tiring work days. Working hours are irregular, and often special programmes are planned after work for the stewards. Patience, ability to work with people from other countries and cultures, and a willingness to work together as a team, are essential. The deadline for application is **February 7, 2013**.
